

TRAVEL GRANT POLICY

Families and individuals who do not qualify for help from the NHS, but for whom travel is a financial burden can apply for an Alex TLC Travel Grant.

The Travel Grant is subject to our normal Grant Giving Policy and also requires the applicant to provide the original letter of referral and proof of the appointment.

This grant is only available to those who are not applicable for the NHS grant described above.

The Grant can only be paid for appointments with specialist ALD/AMN doctors or in direct connection with their ALD/AMN condition, e.g. endocrinologist.

The Grant is only available when the travel exceeds 50 miles.

Under 50 miles would be subject to our usual terms (Financial Hardship)

Only Standard class travel will be paid.

For overnight stays where it would be impossible to reasonably travel there and back in one-day, reasonable hotel expenses will be paid up to a maximum of £100.00 and exclude any sustenance. Receipts must be submitted.

For those driving to appointments, mileage will be paid at 45 pence per mile and will be shortest distance as per Google map directions. Reimbursement of parking fees can also be claimed, receipts must be submitted.

If a Blue badge is available, then this must be utilised wherever possible for parking.
